Virgin vs. Chad Memes

#1

The Virgin Unionist

Does not grow any facial hair, thinks it is too informal

Is either secular or Jewish
Antisemitic, implies Jews seek to weaken Europe

Ugly globalist flag

The union probably won't even last for 50 years

Wears a generic dark suit

Economy stagnating, high taxes and high regulations

Thinks that women should be allowed to vote and be involved in politics
Misogyny

Can barely survive a recession

Is the Rothschild's bitch
Antisemitic Conspiracy Theory

Supports the NWO

Is destroying European civilisation
White genocide conspiracy theory

Is the reason why populism is rising in Europe, whilst believing that populism is dangerous for democracy

Has nothing to do with the people, just enjoys high wages, well funded pensions, long holidays etc. (funded by the taxpayer of course)

Opens borders to invaders from Africa and the Middle East and gives them welfare unlike the Chad Republican
Describes immigration as "invasion"

The Chad Republican

Mighty beard

Is pagan, cucks Jews
Antisemitic

Still existed as a quasi republic for many centuries when the republic turned into an empire

Wears an appealing light-coloured robe

Economy booming, low taxes and low regulations

Can survive civil wars, invasions, natural disasters etc. for many centuries thanks to a powerful patriarchy
Lie about value of patriarchy

Built European civilisation

Ahead of his time

Starts the renaissance and eventually the industrial revolution just from their preserved knowledge

Conquered many areas of the old world because of their advanced military
Sanitizes violence

Probably impregnated many of the finest women captured from the conquered areas
Celebrates Rape

Experts at construction, expansionism and warfare

Runs a civilisation similar to Atlantis

#2

The virgin Minoans

Entire civilization wiped out by a volcano? Seriously?

invented a written language. Only used it for trade sheets

Goddess figurines. Pretty much bronze age funk-pops but simpler

did they even fight any wars?

Physically tiny. The king's throne looks like a kindergarden chair

nice art ng!

The Basic Mycenaeans

Started almost all ancient greek myths. Didn't bother to write them down

Made a language that historians can actually understand

Great masons but kinda brutish in design

helmet from boar tusks

Bronze panoply

Had trade routes reaching as far as Ireland

Used gold

THE CHAD DORIANS

Celebration of Dorian identity major part of 19th century race pseudo-science

believed to be descendants of Hercules

Beat the Mycenaeans and Ionians

Technically the Corinthian order is also Doric

Ancestors of Leonidas and Alexander the Great

Made colonies all over the known world

Elite Hoplites

Great Musicians

Made beautiful Mosaics

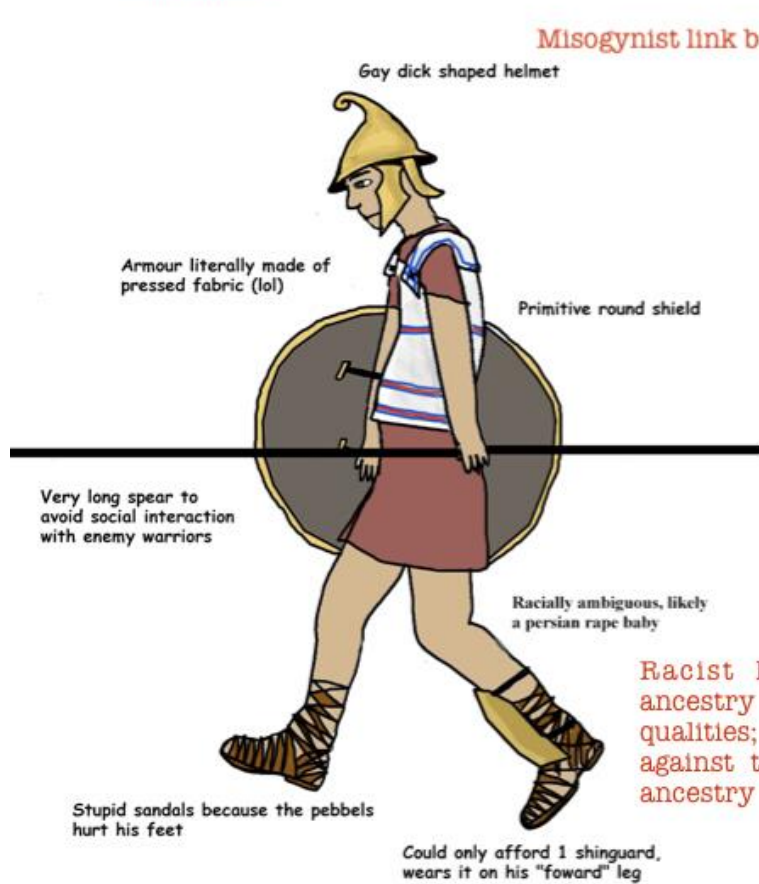

Virgin Greek

CHAD ILLYRIAN

Fights as part of a big homosexual cluster of men, too afraid to take on foes by himself

Homophobic

Misogynist link between courage and masculinity

Masculine helmet

Racist link between ancestry and personal qualities; also prejudice against those of mixed ancestry

The Virgin Greek vs the Chad Roman

OC Do not Steal Pantheon

Colonized a few islands

Dead language only nerds care about

Small Cocks

Only united by Macedonians, still try to claim Macedonia as their own

Incels, only have sex with other men and young boys

Homophobic representation of Greek sexuality

Needed Navies to feel superior

Literally stole the greek pantheon, made them cooler

Colonized the entire Mediterranean

Admiration for imperial violence

Dead language, still the language everyone loves

United the entire Italian peninsula, Rome still the capital

Invited woman to the orgies

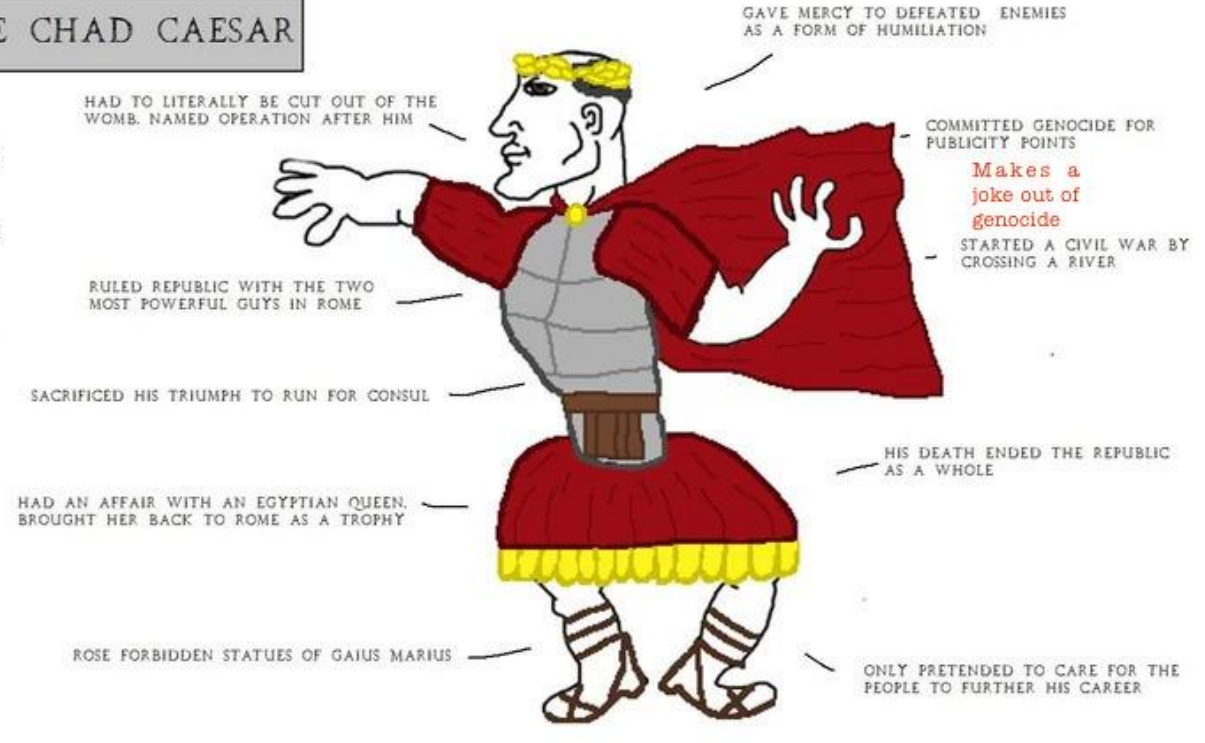

Large Fertile Wangs

Don't know how to sail, declared war on the sea anyway

THE VIRGIN CATO

THE CHAD CAESAR

The Virgin Nordcuck

The Chad Mediterranean
